Just for Fun

My son is taking part in a social experiment. He has to wear a "GO VEGAN" t-shirt for 2 weeks and see how people react. So far he's been spit on, punched and had a bottle thrown at him! I'm curious to see what happens when he goes outside.

"The search for the man who terrorises nudist camps with a bacon slicer goes on."

"Inspector Lemuel Jones had a tip-off this morning, but hopes to be back on duty tomorrow."
